

**GEOCACHE SITE  
PLEASE READ**

This is part of a worldwide game for GPS users, called Geocaching. This is a hidden "treasure" (this container & contents), with online coordinates for a "treasure hunt". Some quick rules: if you take a trade item from the cache, you must leave something of equal or greater value, and write your visit in the logbook.

**IF YOU FOUND THIS CONTAINER  
BY ACCIDENT:**

Great! You are welcome to join us! We ask only that you please do not move or vandalize the container. The real treasure is just finding the container and sharing your thoughts with others who find it. You will also want to let us know that you found it, by visiting the Geocaching.com web site. If this container needs to be removed for any reason, please let us know. We apologize, and will be happy to move it.
